BancaStato

E-banking
New e-banking user registration with AxionTAN

BancaStato

Dear Customer,

This small guide is intended to describe in a simple and clear way all the steps necessary to access e-banking for the first time with AxionTAN application. To start the procedure, you need to use both your smartphone and PC.

1A

New user registration to AxionTAN
First of all: download from App Store or Google Play the AxionTAN app.

1B

Access to e-banking
From your PC it necessary to go to the link www.axionbank.ch login using your credentials (user number and password received by mail).

E-banking access
Insert your credentials

User number

Password

Forgotten password?

Access problems?

2

Open the AxionTAN app and click on "Activate"
By opening the app on your smartphone it is necessary to allow the access to the camera and to the notifications.
Get started

Activate account to log in   **ACTIVATE**

2A

Click on "Scan code"
The camera activates.

Activate account
Activate account by scanning the code provided to you.

Scan code

3

Frame the mosaic
Now it is possible to frame with the smartphone the coloured mosaic received by letter (AxionTAN – activation code).

We kindly invite you to carry out this procedure as soon as possible as **this activation mosaic is only valid for 60 days from the date of this letter.**

Our E-Banking support (tel. +41 (0)91 910 95 99) is available for any additional information you may need from Monday to Friday 08:00 - 18:00.

Our best regards.

Axion SWISS Bank SA
